TATTERSALLS IRELAND

TODAY'S FEBRUARY SALE POSTPONED

In view of yesterday's unusually heavy snow in Britain, which is due to travel westwards to Ireland, Tattersalls Ireland have postponed today's one-day February National Hunt Sale until Friday. The sale will again be due to start at 10.00am.

The snow also caused the cancellation of all racing in Britain yesterday, with today's card at Market Rasen another casualty. Sedgefield are holding a further inspection this morning but Southwell are not expecting any problems regarding this afternoon's all weather card.

FOALING NEWS

HELIOSTATIC'S FIRST FOALS ARRIVE

Oak Lodge Stud has reported the arrival of **Heliostatic's** first foals. The farm's own mare **Fearless Flyer (Brave Act)**, who has produced a strong bay colt, won the Gr.3 Natalma Stakes at two and her dam is a half-sister to **Tout A Coup**, winner of four Listed races.

The first filly by Heliostatic was a bay born at John Malone's Ladytown House Stud, near Naas. Her dam **Morna's Fan (Lear Fan)** has bred two winners to date including **Barak**, who won twice at two in Ireland last season. Morna's Fan is closely related to **Casual Lies**

(also by Lear Fan), a Gr.3 winner and second in the Gr.1 Kentucky Derby, and to **Le Famo** (another by Lear Fan), Gr.3 winner of 12 races.

Heliostatic, a Group-winning son of **Galileo**, is a full-brother to the Classic-winning **Soldier of Fortune** and is also closely related to the Gr.1-winning two-year-old **Sholokhov (Sadler's Wells)**, who has made an impressive start to his stud career in Germany.

FIRST FOAL FOR SCANDINAVIAN CHAMPION FUNNY LEGEND

Funny Legend, one of the best racehorses to have been bred in Scandinavia, gave birth to her first foal, a colt by **Footstepsinthesand**, in Ireland on Saturday, writes *Geir Stabell*.

Bred in Norway by her owners Stall E & F and trained by Wido Neuroth, the daughter of **Funambule** won 24 of her 35 starts and earned more than Nkr5m (£523,000 at today's rate). She beat some of the best male turf performers in Scandinavia when winning the Gr.3 Stockholm Stora Pris over 1950 metres at Taby in May 2007, and repeated the feat to land Scandinavia's most valuable event, the Gr.3 Marit Sveas Minneløp over 1800 metres at Øvrevoll Galopp in Norway, five months later.

Funny Legend was successful from 1350 metres (minor Stakes at two) to 1950 metres and was an incredibly game and genuine performer. Her dam, the **Petorius** mare **Leap Day Legend**, was also bred in Norway. She ran only at two, when winning once from three starts at Øvrevoll, and is also the dam of the dual winner **Creole Legend (Cajun Cadet)**.

Today's Porter Across the Pond appears on page 4

RACING REVIEW

SECOND BIG PAY DAY FOR ELNADIM'S PASAR SILBANO

The former Ger Lyons-trained **Pasar Silbano** picked up the second big prize of her short career when coasting home in Sunday's Gr.3 La Habra Stakes at Santa Anita. The race, worth \$60,000 to the winner, was her second Stateside start, the filly having run unplaced on Hollywood Park's cushion track in mid-November.

Now trained by James Cassidy for Three Chimneys Racing, the daughter of Derrinstown Stud's **Elnadim** won four races in Ireland last season, starting with two on Dundalk's all weather track, and ending with the Listed Curragh Stakes and the valuable Goffs Sportsman's Challenge on the same course at the end of September.

Pasar Silbano, whose grandam is a half-sister to Gr.1 winner and sire **Indian Lodge**, had been bought for just €25,000 by David Redvers at Goffs Sportsman' Sale.

Connections have nominated Santa Anita's China Doll Stakes over a mile on 8th March as her next target.

Elnadim enjoyed a particularly good 2008 with his juveniles, which were headed by the Gr.3 Sirenia Stakes and St Leger Yearling Stakes winner **Elnawin**.

SADLER'S WELLS

was some relief at the two-day Festival Sale which managed to just about keep pace with the 2007 equivalent. Of course figures were down on the record-breaking 2008 sale, the difficult economic climate and the rescheduling of Australian sales having taken their toll, but when trading concluded the average sat at NZ\$11,997 with a clearance rate of a respectable 81%. That average compares favourably against two years ago, when a much reduced catalogue finished at NZ\$12,593. Significantly, the median for both years was NZ\$10,000, having hit NZ\$12,000 last year.

For the second day running a son of **Elusive City** topped the day's trading. In fact, the NZ\$77,500 sale of this colt out of the **Dream Well** mare **Contemperate** made him the top lot of the sale – a colt out of **Outstripping** having topped day one at NZ\$75,000. Both were offered by Haunui Farm who stand **Elusive City** when he shuttles to New Zealand from his Irish National Stud base.

Bought by Auckland resident David Cole, the colt has as his dam an unraced mare whose only other living foal is an unnamed three-year-old. **Contemperate's** dam is the **Grosvenor** mare **Ascona**, four times a winner including the Gr.3 Auraria Stakes in Adelaide. To date she has produced four winners, the best of whom is the Listed-placed **Groom Dancer** gelding **Astaire**. **Ascona** is a half-sister to the Listed winners **St Gallen** and **Andermatt**, and to the Gr.3-placed mare **Celerina**, dam of the Gr.2 winner in New Zealand, **Okiwi Bay**. Another half-sister is **Fionnay**, dam of the Gr.1 VRC Oaks winner **Bulla Borghese**.

RACING REVIEW

NANS JOY GOES IN AT FAIR GROUNDS

NANS JOY (2004 m. by **In the Wings** – True Joy by Zilzal) was a very useful performer in Europe at two and three, winning three races, including the Listed Frankfurter Stuten-Meile, and twice finishing placed at Listed level. Following her Listed win in Germany in May – her final outing in Europe – she was shipped to the US and finished fifth in last September's Gr.3 Noble Damsel Handicap. She followed up with a third in the Furl Sail Handicap at Fair Grounds two days after Christmas but gained her first US triumph with a one length win in an Allowance/Optional Claiming event at Fair Grounds last Thursday

A half-sister to the Stakes-placed gelding **Referral**, Nans Joy is out of the **Zilzal** mare **True Joy**. She is half-sister to **Green Desert** and to **Yousefia**, a Stakes winner in the US who subsequently produced the Gr.3 Princess Margaret Stakes victress **Mythical Girl**. Incidentally, Nans Joy has a rather interesting pedigree pattern, since her sire is a son of **Sadler's Wells**, and her dam is a son of that horse's three-parts-brother **Nureyev**.

RUSSIAN ROSIE (2004 m. by **Traditionally** – Pink Sovietstaia by Soviet Star) won only once in 12 starts in England, capturing a maiden at Newbury as a two-year-old. Nonetheless, she had some creditable form to her name. At two, she took third in the Listed Dick Poole Stakes, and the following year added three more Listed placings. Sent to North America, she finished fifth in the Maple Leaf Stakes at Woodbine on her only three-year-old start. Last year, she collected wins at Keeneland in the spring before heading to Woodbine in Canada, where she won once in five starts before ending her campaign with a sixth in a second crack at the Maple Leaf Stakes. She made her 2009 debut in an Allowance/Optional Claiming contest over nine furlongs on the turf at Gulfstream Park, and got the year off to an auspicious start with a one length victory.

A 12,500gns Tattersalls foal, and 9,000gns Doncaster St Leger Yearling, Russian Rosie is the only black-type performer from the four winners produced by her dam, **Pink Sovietstaia**. That mare is a half-sister to French Listed winner **Pinaflore** (dam of **Pinfloron**, a French Listed winner who won the Gr.2 Shoemaker Mile in the US); the Gr.3 Prix La Rochette winner **Pinfix**; and **Pinakaral**, who took the Gr.3 Prix Thomas Bryon. The grandam, **Pink Satin**, was third in the Gr.3 Prix Chloe, and is half-sister to the fleet **Amber Rama** (the first horse to break a minute for five furlongs at Royal Ascot, when winning the King's Stand Stakes) and to the dam of **Fast Topaze**, winner of the French 1,000 Guineas and Gr.1 Prix Lupin.

Winner of a maiden at Wolverhampton as a three-year-old, **RESTLESS SOUL** (2004 m. by **Singspiel** – Seasonal Splendour by Prince Rupert) was sent to the US after

ending her career in England with an unplaced effort in the Wild Flower Stakes at Kempton in December 2007. She has since proved a very reliable runner, with six starts producing three seconds, a third, and two fourths, one of which came in the Hermosa Beach Stakes on her last run of the year. The mare finally gained her first US win on her 2009 debut, which saw her defeat fellow ex-Brit, **Carnival Queen** (2005 f. by **Carnival Dancer** – Irish Light, by Irish River) by 2¼ lengths.

Restless Soul is a half-sister to the Gr.3 Queen's Vase runner-up and St. Leger fourth **When in Rome**, and to the Gr.3 Sandown Classic Trial third **Strength 'n Honour**. Her dam, **Seasonal Splendour**, won four races and earned black-type with a third in the Listed Lupe Stakes. In turn, Seasonal Splendour is a half-sister to the **Zieten** filly **Torgau**, winner of the Gr.2 Cherry Hinton Stakes and runner-up in the Gr.1 Cheveley Park Stakes and Moyglare Stud Stakes.

Carnival Queen won a nursery at Yarmouth from five starts at two in England, and finished unplaced in the Gr.3 Miesque Stakes in her only US juvenile outing. Last year she made just four starts, but did get black-type with a second in the China Doll Stakes at Santa Anita. She is a half-sister to the Gr.1 Phoenix Stakes third **Polar Force**. Her dam is a half-sister to US Stakes-winning and Graded-placed **Solar Bound**.

The well-bred **MAJOR GENERAL** (2005 c. **Empire Maker** – Out of Reach by Warning) made only three starts at two and three. He ended his second season taking runner-up spot in an 8½ furlong maiden at Belmont. Switching coasts, and moving to the all-weather, he shortened up to 6½ in a Santa Anita maiden last Friday and got the job done, hitting the wire ¾ length to the good of French-bred **Sognatore** (**Oasis Dream** – Fantastic Filly by Myrakalu).

Major General is out of the English-bred **Out of Reach**. Winner of the Listed Atalanta Stakes, and placed third in the Gr.3 Matron Stakes while running in Europe, she subsequently campaigned in the US, where she took the Gr.3 Brown Bess Handicap. A sister to the Group-placed **Well Warned** (dam of French Listed winner **Prior Warning**), Out of Reach is a daughter of Listed scorer **Well Beyond** and her grandam, **Mariakova**, is a sister to Group winner **Zaizafon**, the dam of **Zamindar** and **Zafonic**.

Despite being foaled in France, Sognatore has spent his entire career racing in the US. He was fourth in each of his three starts last year, and now has two seconds to his name in 2009. He is out of the Gr.3 Senorita Stakes and Gr.3 Miesque Stakes victress **Fantastic Filly**. A French-foaled daughter of the **Kaldoun** horse **Myrakula**, she is half-sister to the dam of the Gr.1 Prix Jean Prat victor **Stormy River**.

A well bred filly who recently got off the mark is **ISLANDIA** (2006 f. **Johar** – Tenderly by Danehill), who took a 8½ furlong turf maiden at Tampa Bay downs by a nose. She is a half-sister to the Gr.3 Baldwin Stakes winner **Ten Meropa**.

Her dam, **Tenderly**, is a half-sister to the formidable mare **Pride**, and to **Specifically**, dam of the 1,000 Guineas heroine **Speciosa** (by a son of Tenderly's sire **Danehill**), and US Group winner **Major Rhythm**. The second dam, **Specificity**, is a Listed-winning half-sister to St Leger winner and Derby runner-up **Touching Wood**.

continued from page 3 →

Colts dominated proceedings yesterday with the second most expensive lot being a son of **Falkirk**, the first season **Tale Of The Cat** stallion who made an unsuccessful trip to Europe for the big Royal Ascot sprints a few years ago. Trainer Lisa Latta gave NZ\$52,500 for the colt concerned, a nice type out of **Stella Stargazer**, by the Champion sire **Volksraad** out of **Long Swallow**.

Stella Stargazer has had some success already, producing the Listed-winning filly **Grace Park** when sent to **Danske**. Placed herself, she is half-sister to seven winners and to **Swift Swallow**, dam of the Gr.1 Ellerslie Sires Produce Stakes winner **Zola**. Another half-sister, **Raise Your Glass**, is the grandam of the Listed winner **Clear View**. Long Swallow is a half-sister to the Gr.3 winner **Magnificent**, and to another Gr.3 winner in **Some Reason**. That mare would go on the better things by producing the Gr.1 New Zealand Derby winner **So Casual**, also second in the New Zealand Two Thousand Guineas, and as well become the grandam of the Group-placed **Venus Was Her Name** and **Benedict**.

At number three yesterday was a colt by **High Chaperral** out of **Coochiecoochie Coo (Touching Wood)**. A winner of one race over 1400 metres and dam of one unplaced runner to date, Coochiecoochie Coo is a half-sister to the Gr.1 Otaki-Maori Stakes winner **No Mean City**, and to the Listed-placed **Now Is The Hour**. Other black type performers in the family include **Gold Spot**, **Recall**, **Delightful**, **Sky Mist**, **Needuask** and **Mess**, a Gr.3 winner and runner up in a Gr.1 Championship Stakes, and third in both the New Zealand and Australasian Oaks.

After seven sessions and effectively three very different sales, New Zealand Bloodstock General Manager Petrea Vela was pleased the National Series finished on a high. *“The Festival Sale has fared very well over the past two days, rounding off sales week on a positive note. There was still good momentum in the ring all day yesterday and today and many vendors will be relieved that the market held up as well as it did.”*

“From the outset, we thought that results in the range of our 2007 figures would be an acceptable result and we have managed to do that at this session. The 81% clearance rate is one of the most pleasing results and it's a credit to our Festival sale vendors who recognised the importance of meeting the market in order to get the most from the sale.”

With two of the major sales, the Gold Coast and Karaka, now finished, it is plain to see that Australasian vendors have not escaped the downturn that has fallen on the Northern Hemisphere sales. What will be most interesting is how the second tier sales such as next week's Inglis Classic Sale in Sydney and the Magic Millions Perth Sale hold up, particularly given the difficulties the Select Sale encountered here last week. The three day Inglis Classic starts on Sunday, with Perth kicking off on Wednesday.

Kip Deville made all, holding the late thrust of **Just As Well** after withstanding the sustained challenge of **Court Vision**. Successful in the Keeneland Mile in 2007 (Gr.2) and 2008 (Gr.1), and the 2007 Gr.1 Breeders' Cup Mile and Gr.1 Frank E Kilroe Mile Handicap, Kip Deville earned his sire **Kipling** a transfer from Mighty Acres, Oklahoma to Crestwood Farm, Kentucky. The grey hails from Kipling's second crop. A five-time winning full-brother to Court Vision, Kipling is by **Gulch** out of **Weekend Storm**, a full-sister to the Preakness Stakes hero **Summer Squall** and a half-sister to the US Horse Of The Year and Champion Sire **A P Indy**.

Kip Deville is the sixth and penultimate foal of the minor Stakes winner **Klondike Kaytie**, whose second is another minor Stakes winner, **Gotthard (Ghazi)**. By **Royal Academy's** full-brother **Encino**, Klondike Kaytie is a granddaughter of the Pinafore Stakes victrix **High Charme (High Tribute)**.

Kip Deville features a 3x3 coupling of the close genetic relatives **Storm Bird** and **Nijinsky**, respectively the sires of Weekend Storm and Encino. Interestingly, the conjunction of Weekend Storm and Encino recreates **Storm Cat**, himself by Storm Bird out of a daughter of Weekend Storm's damsire **Secretariat** and Encino's dam **Crimson Saint**. Being direct descendants of the highly influential matron **Cinq A Sept** and featuring **Princequillo** and either **Nasrullah** or his three parts-brother **Royal Charger** close up, Secretariat and High Charme are closely related. Indeed, Weekend Storm's Gr.1-placed dam **Weekend Surprise** is not only by Secretariat but is out of a granddaughter of his three parts-brother **Sir Gaylord**. ALASTAIR NICOLSON
